introduction

Hey Fearfully And Wonderfully Made girl, thank you for joining our most recent online conference.

We hope it was an amazing and insightful experience, as I was absolutely impressed with how it all went.

As we discussed and discovered in the meeting, knowing who we are, running our race and what we are here for, can only come from a greater source in life and this is why we have to stay connected to the source of ALL SOURCES, GOD!

That said, I present the Manual to you. It's simply a week's worth of Bible scriptures and Prayers to focus on, as you begin/continue your journey, I believe God will meet you half way and take over.

The scripture says in James 4: 8- Draw near to me and I will draw near to you. So, girls, we have to be intentional and ensure we put our heart into trying to connect with God.

In addition to this, I have also included a few aptitude tests that will help you recognise certain skills or gifts you may have. The intention is to do this and prayerfully seek God as you come across these findings. Remember He knows best and will direct your path accordingly.

In conclusion! I believe this manual will be a blessing to you as you continue to journey through life and be the start of greater things to come.

Stay Connected to God, and let your roots dig deep in HIM.

Note:

Please remember that there are various bible versions that can help you see the meaning of a scripture in different English forms.

For example, the Message version is really good in the use of colloquial English, so don't just stick to King James Version, I encourage to explore one that suits your understanding

You can go further to read through the following scriptures in the link below (copy & paste) , always remember to seek God and pray about every little step you take to knowing God better.

Pray about everything!
